ABOUT UNB'S MUSIC CAMPS

For 25 years UNB Summer Music Camps have been providing an exceptional level of music instruction to learners from across Canada.

We provide a fun, creative, and supportive environment with time for recreation and socialising, so that you can make friends for life while heightening your confidence and creativity. With an emphasis on developing your teamwork and enhancing your performance skills, our expert instructors are determined to not only bring your music to the next level, but to cultivate your life skills.

Students can attend during the day only or can stay the week in residence (if they are over 12 years old), where they are supervised on a 24-hour basis.
