

Group Reflection

- 1) What have you learned by doing this project?
- 2) What was the hardest part of the project and why?
How did you overcome this?
- 3) What would you change about the overall project?
- 4) When listening to other presentations, what was going through your mind about the project? How did it relate to your project?
- 5) Anything else as a group you want to discuss

Self Reflection

- 1) What have you learned about yourself as a student and working within the group?
- 2) What was the hardest part about working with this particular group?
- 3) What mark would you give yourself and why EXPLAIN in detail Be serious?
- 4) What mark would you give each of your partners and why EXPLAIN in detail Be serious?
- 5) When listening to other presentations, what would you have change about yours and the other groups that presented?
- 6) Anything else that you want to discuss
