## Links NASA article of Astronaut's life in space

 <https://www.nasa.gov/audience/foreducators/stem-on-station/dayinthelife>

-when you click on the article  
at the bottom there are  
videos you can watch

## Journal #3

On a new piece a paper (to be handed in)

1) Explain the life of a Astronaut from watching the videos in class. What would you consider the hardest part about living in space and why? ,J

2) list the planets order from the closest to the sun to the furthest
