

Env. Sci. 120 - November 22nd

Wild Canada Video... Wild West Episode

<https://www.cbc.ca/wildcanada/episode2/>

Video Assignment - List 5 species interactions showcased in this particular episode.

You MUST include for each...

- name of the interaction (predation, parasitism, mutualism, commensalism)
- names of BOTH species involved
- describe the interaction

Put your name on it and pass in at the end of video!
