

Food Web Activity

1) Divide yourselves into groups of 3/4...

Build a Food Web Activity

- need poster paper, 5 colors, tape or glue, scissors

2) Complete Task question #1 FIRST!

3) Build Food Web...

- producers on bottom with consumers going upwards

- detrivores/decomposers/scavengers off to the side

- sun on the top with top carnivores below

4) Finally, complete Task questions #2 - 5. Staple all sheets with questions

answered together as well as oster paper with food web...make sure names are on both.
