

OP 110 Compass Activity

Name: _____

INSTRUCTIONS: Using a given compass and a set of snowshoes, go outside and come back with answers to the following questions...

- 1) What are the directions for the lane for unloading the buses?

- 2) What bearing will take us to the red barn across the road from the Main Office?

- 3) What landmark would I look towards to see the sun rising in the morning?

- 4) What direction does the trail in between the soccer fields travel INTO the woods?

- 5) What bearing would I travel to go from the near goal (closest to the shed) to the far goal (closest to the woods) AND how many snowshoe paces does it take?
