

INSTRUCTIONS: Identify 1 entrepreneur in your own community.
Interview those entrepreneurs using the **5W method**...

1. Who are they? State their name and the name of their business.
2. What is their business or service? Describe their business.
3. When did they start their business?
4. Where is their business located?
5. Why did they start their business? What passion did they follow that led them to create this business?

Today, we will be adding 5 more questions of your choice after my lesson.

**Put your answers in proper sentence and paragraph format in a word document with a title.
Be sure to include their logo and any relevant links to their business.
Save each of these to a Goole Doc...**
