

Family Unit Test Info:

- 6 Family structures
 - * Know your own family structure and be able to explain it.
- Must be able to identify the family structures in examples I give you.
ex: If Bobby lives with his mom and dad, what type of family structure does he live in? Nuclear family.

- What is a tradition?
- * Explain 2 traditions you have in your own family. Why are they important to you + your family? How do they help to strengthen your family?
- I will give you 2 Case studies and you will have to explain what you would do and justify your reasoning with information you have learned this unit.

- 6 factors that make families
Strong - you must know 3.
