

Hi Guys,

Hope you and your families are doing well! It is a time where we are able to stay in and appreciate our homes. My hope is that you are able to enjoy your time at home. We all miss you and hope this isolation period ends soon.

In the following weeks, I will post lessons each day for you. You can send me your work or share it with someone at home. If you have any difficulty with the work or have any questions, please email me at

*Take care, do what you are able and do what you are comfortable with!*

**Monday, Wednesday, Friday** (every day if you love to read) - have a book to read for at least 20 minutes. Even an old one that you have already read!

**If you don't have a novel at home:**

1) You can apply for a library card online - search "library card new brunswick", then fill in the appropriate information. When you get your card, you can borrow books "online" and download them on your phone or device to read. \*I applied for one for Ry and it was very easy to do - it will come in the mail

**OR**

2) Read articles online/newspapers/magazines

Tuesday and Thursday : you will be writing for 5 - 10 minutes. It can be point or paragraph form.

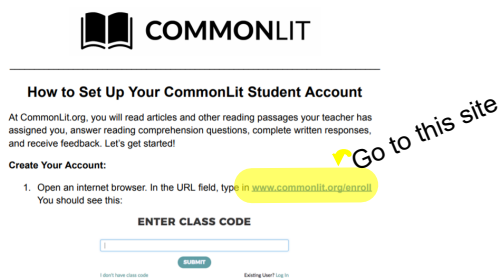

Writing Prompts for April 6 - 10

**Tuesday** - what have you been doing the last 3 weeks while you have been at home?

**Thursday** - what are some things that you are missing while you are self isolating at home?

For the remainder of your time, there will be 2 articles that you will read and answer questions to by the end of the week.

Please follow the directions provided:
