

Welcome to Home Learning Opportunities
Bienvenue à Apprendre à la maison
4/5 Duffy
Semaine 4

Dear parents and students,

Welcome back to home learning opportunities for grade 4/5D week 4. I hope everyone had a great weekend. Thank you to those students who sent a photo of their artwork, I loved seeing them!

French Literacy

Read in French (10 to 15 minutes daily):

I would like students to again take advantage of the [Je Lis website](#). It is a great website that will read the books to you. Please find this weeks suggested titles below. If you are unsure what book or level to choose, please send me an e-mail and I will send you your title. paula.duffy@nbed.nb.ca

Books:	Une letter a Samuel	Faire de la plongée libre avec Mamie
	Pratiquer les sports d'équipe	Capitaine Ricardo
	La Ferme de Grand-Père	Petit dinosaure se cache
	Mais ou est Katia	

Mots Fréquents (5 minutes twice a week):

Practice reading les mots frequents from list 22.

(Words : gueule, majuscules, m'importe quoi, soudain, mieux, autrefois, ancien). [Click here](#) for video.

Morning Message (once a week):

Click the link below to listen to my morning message about Earth Day. Try answering the question at the end in French. [Message link](#)

Journal Entry (once a week): You can pick a topic of choice or use the example below. Try to write at least three to four good sentences in French. [Journal Example](#)

Sound Work: Click [here](#) for the sound of the week "ouille".

Mathematics

Grade 4 Options

Study your multiplication facts: Work on one group at a time, once you know those facts move on to the next.

Review Division: Click [here](#) for lesson.

Optional extra practice available in attachments.

Take Multiplication Quiz: Click [here](#) for times quiz.

Try the district Ninja Tasks: Located in attachments you will find a document provided by district with some math ideas from grade 3-5.

Play Math Games: use any of the three sites from last week to work on math concepts. Reflex Math is the best site for math facts.

Grade 5 options

Study your multiplication facts: Work on one group at a time, once you know those facts move on to the next.

Review Division with Remainders: Click [here](#) for lesson.

Optional extra practice available in attachments.

Take this Multiplication Quiz: Click [here](#) for times quiz.

Try the district Ninja Tasks: Located in attachments you will find a document provided by district with some math ideas from grade 3-5.

Play Math Games: Use any of the three sites from last week to work on math concepts. Reflex Math is the best site for math facts.

Science

Looking for some fun science options? Check out the ASD-N Weekly STEAM document. Look at the grade 3-5 page if you are interested.

Social and Emotional Learning Ideas

See [M. Sturgeon's page](#) for great ideas and weekly challenges.

Let's do art together! Click [here](#) and learn how to draw Dog Man from Dav Pilkey. **Take a picture** and email to me and I will feature it on my teacher page.

Get Outside! Go for a walk, have fun and be active. [E-mail](#) me a picture of an outside activity you did this week.

April 29th is International Day of Dance: Make sure you use your best moves! Click [here](#) for a French Disco.

Looking for ideas? A calendar of suggested activities provided by the district is in the documents. Why not give those a try.

Don't forget: [e-mail](#) me with pictures of any fun or cool things you do this week and I will post them on my teacher page.

I hope to speak to you all this week, stay safe and have fun!
