

Earth Day Writing

- Write an acrostic poem by writing one of the following words vertically on your paper: EARTH, EARTH DAY or RECYCLE. Use all capital letters.
- For each letter in the word you pick write a sentence about helping the earth or what not to do!
- Your poem does not need to rhyme. Each line can be as long or short as you want it to be.
- Use your markers to color and decorate your Earth Day poem.
- Send me a picture through email or messenger and I will write you back.
