

Welcome to Mrs. Sobeys Store

Figure out how much money you will need to buy the following items. Use the coins you gathered to pay for the items.

Challenge: Can you make change for the items you bought if you paid with \$1.00?

How much money will you need for:

1. 2 erasers and 1 pencil? _____
2. A pair of scissors and a pencil? _____
3. 3 pencils and 1 post-it-note? _____
4. 1 highlighter? _____ Now, try to pay for the highlighter using a different combination of coins? How many different combinations can you make?
5. 1 pair of scissors, 2 pencils, and 2 erasers? _____

Have a parent make up some more questions for you to solve. Create your own store with items from around your house. Try making change if you pay for your items with \$1.00.
