

# Home Learning Opportunities

## Week of April 14<sup>th</sup> to April 17<sup>th</sup>

### **Math** (minimum 20 minutes daily)

Continue to review basic facts to 18 daily using any of the examples posted last week. If you can, try to do Reflex Math 2-3 times per week.

Review skip counting daily. Practice skip counting in the following ways:

1. Skip count by 2's to 100 forward and backwards. Start at random numbers (exp: start at 34 and count by 2's to 78).
2. Skip count by 5's to 100 forward and backwards.
3. Skip count by 10's starting at 1, 2, 3, 4, etc.. (exp: 4, 14, 24, 34, 44, 54, 64, 74, 84, 94, 104).
4. Skip count by 2's starting at an odd number (exp: 1, 3, 5, 7, 9, 11,....)

Use a hundreds chart if needed. One is posted in the document's link for April 14<sup>th</sup>.

### **Literacy** (minimum 20 minutes daily)

Students are asked to read daily for at least 20 minutes. Students can read books at home or ones that are available online.

Please check daily on my teacher page for Literacy suggestions that can be continued weekly.

Thursday we will be doing some writing, so gather up some paper and a pencil.

### **Social/Emotional Learning**

Check out the posted STEM cross curricular activity that is posted on my teacher page.

Exercise Daily – get outside, go for a walk, play outside. Please check Mr. Sturgeon's teacher page for more info.
