

Welcome to Raz-Kids!

I am so excited to introduce you to our new reading program! I know that you are going to love it!! I have played with it some and discovered that it has a lot of fun things!

I will go through some basic information here. You and your parents explore and then if you have questions you can message me on FB or send me an email at carlene.lyons@nbed.nb.ca

- First you can go to the site www.kidsa-z.com on a computer or you can download the app on your Ipad or tablet (Kids A-Z).
- My teacher username is: mrslyons2020
- Find your name and click on it.
- When you are ready ask a parent to message me for your password. The passwords are cool - they are a picture 😊
- You will see 2 places to visit: **Level Up** and **Reading Room**.
- **Level Up** is where you will go to read and answer questions at your reading level.
 - These books should be just right for you. If you find them too hard please send me a message. In here you will get stars for listening to the stories, reading the stories and answering the questions.
 - Once you complete all the books in Level Up, you will automatically advance to the next level!
- **Reading Room** is where you can go to read whatever books you like. There will be books at different levels. You can read them or just listen to them.
- **I'm sure we will learn more about the site as we have fun reading!!**
