## Assignment – Final Reflection Paper – 1000 words

Your paper should cover your personal and professional experience in this course. Some of the things to consider covering include, but are not limited to:

- Why you chose to take this course & what you expected or hoped to learn from this course
- Describe your project and what was achieved (the journey of your business)
- What were the best parts of this course and most rewarding part for you?
- What were your biggest challenges during this course?
- Discuss key people that you encountered along the way and how they impacted you or your project
- What do you think will stick with you beyond the course?
- If you could go back in time and give yourself advice before starting this program, what advice would you have?
- What things would you like to add or change about this course.
- What are your plans for after high school and how has this course helped or influenced your plans?
- Reflect on home learning... skills obtained, difficulties encountered, overall satisfaction?

*\* Please note the above suggestions are not in any specific order and your final paper should be in an essay format.*
