

Home Learning Opportunities

Week of June 8th to June 12th

Math (minimum 20 minutes daily)

Continue to review basic facts to 18 **daily**. You can still use Splash Learn or abcyA throughout the week.

This week we will be doing some review questions.

Use the questions provided and make up some similar questions of your own to practice throughout the week.

Literacy (minimum 20 minutes daily)

Read daily. Make it fun (read under a tree, have a reading picnic, make a reading fort).

There will be no writing activity for this week.

Social/Emotional Learning

Check out this weeks STEM activity
