

Home Learning Opportunities

Week of June 1st to June 5th

Math (minimum 20 minutes daily)

Continue to review basic facts to 18 **daily**.
If you can, try to do Reflex Math 2-3 times per week. You can use Splash Learn throughout the week as well.

This week we will be looking at word problems using two-digit addition and subtraction.

Use the questions provided and make up some similar questions of your own to practice throughout the week.

Literacy (minimum 20 minutes daily)

See this week's literacy choice board for a variety of literacy activities. Please keep reading every day (online or books at home).

There will be no writing activity for this week.

Social/Emotional Learning

Exercise helps us stay physically and mentally healthy. Challenge yourself this week to the ASD-N Virtual Olympics
