

Welcome to Home Learning Opportunities
Bienvenue à Apprendre à la maison
4/5 Duffy
Semaine 5

Dear parents and students,

Welcome back to home learning opportunities for grade 4/5D **week 5**. I hope everyone had a great weekend. Thank you for the awesome photos last week, they were **amazing!**

French Literacy

Read in French (10 to 15 minutes daily):

This week students can again use the [Je Lis website](#). It is a great website that will read the books to you. Please find this weeks suggested titles below. If you are unsure what book or level to choose, please send me an e-mail and I will send you your title. paula.duffy@nbed.nb.ca

Books:

Une voiture de course CD

Peux-tu le voir?"

Une dent bralante

Mon vrai nom est Princess

Mais ou est Katia

Apareil a hélices

Les petits animaux de la ferme

Mots Fréquents (5 minutes twice a week):

Practice reading les mots frequents from list 23.

(minuscule, moyenne, rien, communiquer, cent, danger, environ, vais, obliger)

[Click here](#) for video.

Morning Message (once a week):

Click the link below to listen to my morning message about Emotions and Feelings. Try answering the question at the end in French. [Message link](#)

Journal Entry (once a week): You can pick a topic of choice or use the example below. Try to write at least three to four good sentences in French.

Journal Example

Sound Work: Click [here](#) for the sound of the week "ien".

***NEW* Reading Comprehension Activity:** Click [here](#) to listen to **La Girafe** and try answer questions 1-4. Click [here](#) for answers, a PDF copy is also located in attachments.

***NEW* Mother's Day Activity:** Click [here](#) for a Mother's Day writing activity. See attachments for a PDF copy.

Mathematics

Grade 4 Options

Study your multiplication facts: Work on one group at a time, once you know those facts move on to the next.

Review Fraction Lesson: Click [here](#) for lesson.

Optional extra practice available in attachments.

Take Division Quiz: Click [here](#) for timed quiz.

Try the Ninja Tasks: Located in attachments you will find a document provided by district with some math ideas from grade 3-5.

Play Math Games: use any of the three sites from last week to work on math concepts. Reflex Math is the best site for math facts.

Grade 5 options

Study your multiplication facts: Work on one group at a time, once you know those facts move on to the next.

Review Fraction Lesson: Click [here](#) for lesson.

Optional extra practice available in attachments.

Science

Looking for some fun science options? Check out the ASD-N Weekly STEAM document. Look at the grade 3-5 page if you are interested.

Social and Emotional Learning Ideas

See [Mr. Sturgeon's page](#) for great ideas and weekly challenges.

Let's do art together! Click [here](#) for a "Mother's Day Folding Surprise" from Art for Kids Hub or [here](#) for a "Rose". **Take a picture** and [email](#) it to me and I will feature it on my teacher page.

Get Outside! Go for a walk, have fun and be active. [Email](#) me a picture of an outside activity you did this week.

Looking for ideas? A calendar of suggested activities provided by the district is in the documents. Why not give those a try.

Don't forget: [e-mail](#) me with pictures of any fun or cool things you do this week and I will post them on my teacher page.

Have a great week!

VOUS ME MANQUEZ!

Mlle Duffy
