

Welcome to Home Learning Opportunities
Bienvenue à Apprendre à la maison
4/5 Duffy
Semaine 7

Dear parents and students,

Welcome back to home learning opportunities for grade 4/5D **week 7**. I hope everyone had a wonderful long weekend!

Anything underlined is a link that will take you where you need to go ☺

French Literacy

Read in French (10 to 15 minutes daily):

Students can continue to use Je Lis or Epic for French Reading.

This week students are again free to choose any of the titles remaining in their series (color). If you have read all the titles in your series on Je Lis than you may move to the next. Be sure to click the green button when you are finish reading the story. It is a good idea to use the same book all week to work on fluency.

I would like to stress how **important daily reading** is during this time of home learning. Students should be reading in French every day, this is the only way to maintain reading levels and skills for next year.

Mots Fréquents (5 minutes twice a week):

Practice reading les mots fréquents from list 24.

(formidable, joli, sérieux, quelquefois, plus, jamais, cœur, puisque, équipe)

[Click here](#) for video.

Morning Message (once a week):

Click the link below to listen to my morning message about music. Try answering the question at the end in French. [Message link](#)

Journal Entry (once a week): You can pick a topic of choice or use the example below. Try to write at least three to five good sentences in French.

[Journal Example](#)

Sound Work: Click [here](#) for the sound of the week "tion".

*****NEW*** Practice Questions:** Click [here](#) to listen to some practice question in French. Listen to the example and wait to be asked the question, try answering in French.

Mathematics

Grade 4 Options

Study your multiplication facts: Work on one group at a time, once you know those facts move on to the next.

*****New*** Comparing Fractions (using Benchmarks) Lesson:**

Click [here](#) for lesson.

Optional extra practice available in attachments.

Try this Math Activity: Click [here](#) for timed Math Activity. PDF copy located in attachments.

Play Math Games: use any of the three sites from last week to work on math concepts. Reflex Math is the best site for math facts.

Grade 5 options

Study your multiplication facts: Work on one group at a time, once you know those facts move on to the next.

*****NEW*** Comparing Fractions/Common Multiples/Denominator Lesson:**

Click [here](#) for lesson.

Optional extra practice available in attachments.

Play Math Games: Use any of the three sites from last week to work on math concepts. Reflex Math is the best site for math facts.

Science

Looking for some fun science options? Check out the ASD-N Weekly STEAM document. Look at the grade 3-5 page if you are interested.

Social and Emotional Learning Ideas

See [Mr. Sturgeon's page](#) for great ideas and weekly challenges.

Let's do art together! Click [here](#) for a "Music Notes". You will need paper and colors. Click [here](#) to see mine.

Take a photo and email to paula.duffy@nbed.nb.ca. I would love to see it!

Listen to some Music: [Just Sing de Trolls](#)

[Lean On Me par ArtistsCAN](#)

[Can't Stop the Feeling \(français\)](#)

[Ton Histoire par Marie-Mai](#)

[Tout Le Bonheur par Kids United](#)

Get Outside! Go for a walk, have fun and be active. [Email](#) me a picture of an outside activity you did this week.

Looking for ideas? A calendar of suggested activities provided by the district is in the attachments. Why not give those a try.

Don't forget: e-mail me with pictures of any fun or cool things you do this week and I will post them on my teacher page.

Have a great week!
Vous me manquez!
Mlle Duffy
