Reading Picnic

With an adult, grab a blanket, some tasty snacks, and a favorite stack of books. Find a nice place to sit and eat your treats while listening to stories or taking turns reading aloud together.

Look out and up—are there any clouds today? Just stop and watch for a while. Can you describe their movement? Fast, slow, steady? Be creative—what other words or phrases could you use? Clouds can create pictures and stories in the sky. Can you see any shapes or images in the clouds? Do they stay the same, or change into something else? Make up a story using the clouds

Cookbook Reading

Show your child a simple recipe and go over it together. Ask your child to read the recipe back to you as you work and tell the child that each step must be done in a special order. Let your child help mix the ingredients

Find a family heirloom or a meaningful family object (picture, dish, piece of art, photo). Draw a picture of the object or describe it. Write about why it is special to you and your family.

Ask a family member to tell you a story from when they were young, at the end retell the story to them.
