Looking Back...

My favorite activity was:

One thing I learned:

The funniest moment was when...

I'll never forget when...

Use your journal book or any piece of paper. Pick any two topics or try all the topics from the picture to write about today. Try to provide details. Don't just write one sentence.

Example:

I'll never forget when the Stanley Cup came to Blackville School last September. That is a day I will never forget because it was so exciting to see the "real" Stanley Cup at our school. I really loved getting to meet the mascot Youppi from the Montreal Canadiens and Stanley from the Florida Panthers. It was fun watching Will and Riley play in the floor hockey game and seeing the winners get the KD Cup. At the end of the day, we got to take home some Kraft dinner and a Kraft KD Shaker. These are some reasons why it is a day I will never forget.
