

# Writing Activity – May 14<sup>th</sup>

- This week is Nurses Week. Our class was very lucky this year to have Nurse Janice come to our classroom for the Roots of Empathy program. I would like to use this week's writing activity to thank Nurse Janice for all she does as a Roots Of Empathy Instructor.
- Use any piece of paper you have and write down your favorite Roots of Empathy memory or write a simple Thank You to Nurse Janice (see the examples I provided). Make your printing clear and colorful. Draw a picture that goes with Roots of Empathy. Don't forget your name on the front!
- Private message me a picture of you holding your work as well as a close-up of your work. I am going to be making a video of your work to send to Nurse Janice to say Thank You for all she does in our school and community. **Please send pictures by 2:00pm Friday, May 15<sup>th</sup>.**
