

# Home Learning Opportunities

## Week of May 4<sup>th</sup> to May 8<sup>th</sup>

### Math (minimum 20 minutes daily)

Continue to review basic facts to 18 **daily**. If you can, try to do Reflex Math 2-3 times per week. You can use Splash Learn throughout the week as well. You can also play any of the math games that have been posted so far.

This week, we will be reviewing **repeating and increasing patterns**. Students in grade 2 need to be able to create and extend a variety of patterns.

Please see this week's math choice board for activities to try at home.

### Literacy (minimum 20 minutes daily)

See this week's literacy choice board for a variety of literacy activities.

Thursday we will be doing some writing.

### Social/Emotional Learning

Continue to check out the weekly STEM post and check Mr. Sturgeon's teacher page daily for physical education activities.

Sunday, May 10<sup>th</sup> is Mother's Day – check out the link below to make something special
