

Welcome to Home Learning Opportunities
Bienvenue à Apprendre à la maison
4/5 Duffy
Semaine 6

Dear parents and students,

Welcome back to home learning opportunities for grade 4/5D **week 6**. I hope everyone enjoyed the weekend and Happy Mother's Day to all the mom's out there.

Anything underlined is a link that will take you where you need to go ☺

French Literacy

Read in French (10 to 15 minutes daily):

Students can continue to use Je Lis or Epic for French Reading.

This week students are free to choose any of the titles remaining in their series (color). Be sure to click the green button when you are finish reading the story. It is a good idea to use the same book all week to work on fluency.

Mots Fréquents (5 minutes twice a week):

Practice reading les mots fréquents from list 24.

(mémoire, nourriture, énorme, grimper, alors, différent, sous, cet, finalement)

[Click here](#) for video.

Morning Message (once a week):

Click the link below to listen to my morning message about Rules. Try answering the question at the end in French. [Message link](#)

Journal Entry (once a week): You can pick a topic of choice or use the example below. Try to write at least three to five good sentences in French.

Journal Example

Sound Work: Click here for the sound of the week "ille".

Reading Comprehension Activity: Click here to listen to "Le Manchot" and try to answer questions 1-3. Answers are given at the end of the video and a PDF copy is also located in attachments.

Mathematics

Grade 4 Options

Study your multiplication facts: Work on one group at a time, once you know those facts move on to the next.

*****New*** Comparing Fractions (using fraction bars) Lesson:**

Click here for lesson.

Optional extra practice available in attachments.

Try this Division and Multiplication Quiz: Click here for timed quiz.

Try the Ninja Tasks: Located in attachments you will find a document provided by district with some math ideas from grade 3-5.

Play Math Games: use any of the three sites from last week to work on math concepts. Reflex Math is the best site for math facts.

Grade 5 options

Study your multiplication facts: Work on one group at a time, once you know those facts move on to the next.

Review Comparing Fractions (using fraction bars) Lesson: Click [here](#) for lesson.

Optional extra practice available in attachments.

Try this Division and Multiplication Quiz: Click [here](#) for timed quiz.

Try the Ninja Tasks: Located in attachments you will find a document provided by district with some math ideas from grade 3-5.

Play Math Games: Use any of the three sites from last week to work on math concepts. Reflex Math is the best site for math facts.

Science

Looking for some fun science options? Check out the ASD-N Weekly STEAM document. Look at the grade 3-5 page if you are interested.

Social and Emotional Learning Ideas

See [Mr. Sturgeon's page](#) for great ideas and weekly challenges.

Let's do art together! Click [here](#) for a "Mini Notebook". You will need paper, scissors and colors. [Take a photo and email to paula.duffy@nbed.nb.ca](#). I would love to see it!

Get Outside! Go for a walk, have fun and be active. [Email](#) me a picture of an outside activity you did this week.

Looking for ideas? A calendar of suggested activities provided by the district is in the documents. Why not give those a try.

Don't forget: [e-mail](#) me with pictures of any fun or cool things you do this week and I will post them on my teacher page.

Have a great week!
