

Welcome to Home Learning Opportunities
Bienvenue à Apprendre à la Maison
4/5 Duffy
Semaine 8

Dear parents and students,

Welcome back to home learning opportunities for grade 4/5D **week 8**. I hope everyone enjoyed their weekend!

Anything underlined is a link that will take you where you need to go 😊

French Literacy

Read in French (10 to 15 minutes daily):

Students can continue to use Je Lis or Epic for French Reading.

This week students are free to choose any of the titles remaining in their series (color). Be sure to click the green button when you are finish reading the story. It is a good idea to use the same book all week to work on fluency.

Daily reading is very important during home learning. I encouraged all students to read in French each day. This is the only way to maintain your reading skills moving forward into next year.

*****NEW***** I have also recorded myself reading two different books if you are interested in reading or listening to these instead. Once you have listened to the video, you can mute the sound and pause at each page if you would like to try reading the book on your own.

Click [here](#) for "Jean-Guy"

Click [here](#) for "J'adore le Hockey"

Mots Fréquents (5 minutes twice a week): Practice reading les mots fréquents from list 26.

(étrange, idée, raison, vraiment, soleil, proper, plaisir, chacher, toutefois)

[Click here](#) for video.

Morning Message (once a week):

Click the link below to listen to my morning message about Responsibilities. Try answering the question at the end in French. [Message link](#)

*****NEW*** Mes Activités:** Students can write or draw what they do at home to keep busy. You can divide a piece of paper into eight sections (like an idea web) and use the PDF or video as a model☺.

Click [here](#) for video and PDF in attachments.

Journal Entry (once a week): You can pick a topic of choice or use the example below. Try to write at least three to five good sentences in French.

[Journal Example](#)

Sound Work: Click [here](#) for the sound of the week "ai".

*****NEW*** Sound activity:** sort the words into the appropriate column.

Click [here](#) for video or see the attachments for a PDF copy.

Practice Questions: I have included a video with some simple questions you can practice orally in French.

Click [here](#) for video.

Mathematics

Grade 4 Options

Study your multiplication facts: Work on one group at a time, once you know those facts move on to the next.

*****New*** Fraction of set:** Click [here](#) for lesson.

Optional extra practice available in attachments.

Try this Math Activity: Click [here](#) for timed quiz.

Try the Ninja Tasks: Located in attachments you will find a document provided by district with some math ideas from grades 3-5.

Play Math Games: use any of the three sites from last week to work on math concepts. Reflex Math is the best site for math facts.

Grade 5 options

Study your multiplication facts: Work on one group at a time, once you know those facts move on to the next.

Common Denominators (REVIEW OF NEW CONCEPT): Click [here](#) for lesson.

Optional extra practice available in attachments.

Try this Math Activity: Click [here](#) for timed quiz.

Try the Ninja Tasks: Located in attachments you will find a document provided by district with some math ideas from grades 3-5.

Play Math Games: Use any of the three sites from last week to work on math concepts. Reflex Math is the best site for math facts.

Science

Looking for some fun science options? Check out the ASD-N Weekly STEAM document. Look at the grade 3-5 page if you are interested.

Social and Emotional Learning Ideas

See [Mr. Sturgeon's page](#) for great ideas and weekly challenges.

Let's do art together! Click [here](#) for a "How to draw a bike".

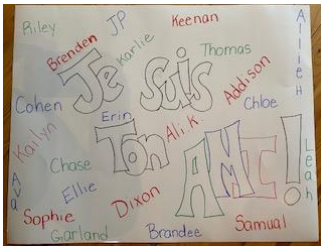

You will need paper and colors. [Take a photo and email to paula.duffy@nbed.nb.ca](#). I would love to see it!

Get Outside! Go for a walk, have fun and be active. [Email](#) me a picture of an outside activity you did this week.

Looking for ideas? A calendar of suggested activities provided by the district is in the documents.

Let's bake: Click [here](#) for "Bâtonnets de crêpes à la pizza".

YouTube Fun: Click [here](#) to watch "Quarantine challenge 2K20".

Click [here](#) to listen to "On Me" from the Scoob! Movie soundtrack.

Click [here](#) for "You Got a Friend in Me" from Blackville School Staff.

Click [here](#) for "Everything is "Gonna' be Alright" from Blackville School Staff.

They might make you smile 😊.

Don't forget: [e-mail](#) me with pictures of any fun or cool things you do this week and I will post them on my teacher page.

Have a great week!

Mlle Duffy
