

Welcome to Home Learning Opportunities  
Bienvenue à Apprendre à la Maison  
4/5 Duffy  
Semaine 9

Dear parents and students,

Welcome back to home learning opportunities for grade 4/5D **week 9**. I hope everyone is doing ok and stayed safe last week.

Anything underlined is a link that will take you where you need to go 😊

### French Literacy

#### Read in French (10 to 15 minutes daily):

Students can continue to use Je Lis or Epic for French Reading.

This week students are free to choose any of the titles remaining in their series (color). Be sure to click the green button when you are finish reading the story. It is a good idea to use the same book all week to work on fluency.

Daily reading is very important during home learning. I encouraged all students to read in French each day. This is the only way to maintain your reading skills moving forward into next year.

I have also recorded myself reading two different books if you are interested in reading or listening to these instead. Once you have listened to the video, you can mute the sound and pause at each page if you would like to try reading the book on your own.

Click [here](#) for "Félicio et le clown a l'école".

Click [here](#) for "Le camping quelle aventure"

**Mots Fréquents (5 minutes twice a week):** Practice reading les mots fréquents from list 27.

(incendie, d'abord, indiquer, côté, enfin, printemps, essayer, intérieur, soudain).

Click [here](#) for video.

**Morning Message (once a week):**

Click the link below to listen to my morning message about what you would like to do this summer. Try answering the question at the end in French. [Message link](#)

**\*\*\*NEW\*\*\* Mes projets cet été:** Students can write or draw what they would like to do this summer in each square. You can divide your piece of paper into four squares and use the PDF or video as a model 😊.

Click [here](#) for video and PDF in attachments.

**Journal Entry (once a week):** You can pick a topic of your choice or use the example below. Try to write at least three to five good sentences in French.

[Journal Example](#)

**Sound Work:** Click [here](#) for the sound of the week "ui".

**Reading Comprehension Activity:** *(Can be done in place of daily reading on Thursday)* Listen to the story and try to answer the questions. Take your time go back and re-read the story if you are unsure. You can write your answers on a sheet of loose leaf or whatever you have at home.

Click [here](#) for video.

PDF in attachments.

**\*\*\*New\*\*\* Top 5 événements de l'année:** Students can make a list of the top 5 events that happened this year. This can be events that happened at school or outside of school. Anything that you thought was important, fun or memorable.

Click [here](#) for video

PDF in attachments.

## Mathematics

### Grade 4 Options

**Study your multiplication facts:** Work on one group at a time, once you know those facts move on to the next.

**\*\*\*New\*\*\* Decimals:** Click [here](#) for lesson.

Optional extra practice available in attachments.

**\*\*\*New\*\*\* Money, Adding and Subtracting Decimals:** Click [here](#) for lesson.

Optional extra practice available in attachments.

**Try the Camp Mathematician Tasks:** Located in attachments you will find a document provided by district with some math ideas from grades 3-5.

**Play Math Games:** Use Splash Math or Prodigy to play math games. Reflex math will no longer be active after May 31<sup>st</sup>.

### Grade 5 options

**Study your multiplication facts:** Work on one group at a time, once you know those facts move on to the next.

**Review of Decimals:** Click [here](#) for lesson.

Optional extra practice available in attachments.

**\*\*\*New\*\*\* Changing Fractions to Decimals:** Click [here](#) for lesson.

**Try The Camp Mathematician Tasks:** Located in attachments you will find a document provided by district with some math ideas from grades 3-5.

**Play Math Games:** Use Splash Math or Prodigy to play math games. Reflex math will no longer be active after May 31<sup>st</sup>.

### Science

**Looking for some fun science options?** Check out the ASD-N Weekly STEAM document. Look at the grades 3-5 page if you are interested.

### Social and Emotional Learning Ideas

See [Mr. Sturgeon's page](#) for great ideas and weekly challenges.

**Let's do art together!** Click [here](#) for "Monster Bookmark".

You will need paper, scissors and a ruler. Your paper will have to be cut into a square, the video suggests 6 inches by 6 inches, so roughly 15 cm by 15 cm.

Take a photo and email to [paula.duffy@nbed.nb.ca](mailto:paula.duffy@nbed.nb.ca). I would love to see it!

**Get Outside!** Go for a walk, have fun and be active. [Email](#) me a picture of an outside activity you did this week.

**Looking for ideas?** A calendar of suggested activities provided by the district is in the attachments.

**Let's bake:** Click [here](#) for "Barres Glacées aux Fraises" Recipe.

**YouTube Fun:** Click [here](#) to watch "Toddler Candy Challenge".

**Super Hero Training:** Click [here](#) to get a super hero work out in French.

**Don't forget:** [e-mail](#) me with pictures of any fun or cool things you do this week and I will post them on my teacher page.

Have a great week!

Mlle Duffy
