

Dear Thomas H's Parent or Guardian,

I'm excited to say our class is using Prodigy to help students learn and practice math curriculum. I'll use Prodigy to set assignments, review progress, and support your child's learning.

How does Prodigy benefit Thomas?

- It's a fun math-focused game that adapts questions to your child's individual needs.
- It helps students gain confidence as they progress through the math curriculum at their own pace.
- Prodigy rewards students as they learn by unlocking more of the in-game world and features.
- Plus, the game is safe and private, and a great use of screen time!

Why do parents love using Prodigy?

Studies find children perform better at school when parents are more involved with learning. With an account, you can:

- Receive email updates like report cards
- Encourage your child to learn more by setting goals and sending them free in-game rewards
- Learn where your child excels and where they need more support

Please register to support your child's learning:

1. Go to prodigygame.com/welcome
2. Sign up (it's free!) and link your parent account using your child's credentials below

To help your child log in at home:

1. Go to prodigygame.com and select 'Play Prodigy' in the top-right corner
2. Once the game loads, enter your child's username and password and select 'LOGIN'
